### SECRET WAR SOCIETY

### UNOFFICIAL ERRATA, MOST RECENT PRINTINGS AND PROMOS WITHOUT TEXT

2023 v1.3

The Secret War Society maintains our own errata document which differs, in some ways, from the official errata document for Shadowfist. The major diversion starts after the official errata 2.2, released 01-2021, as the SWS version of errata does not include Mobius Portal. Check with your tournament director as to which version of the errata is used at your event.
